THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

Lieutenant General Daniel O. Graham, USA
Director, Defense Intelligence Agency
Washington, D. C. 20301

Dear Dan:

I have passed your proposal to form a separate Weapons Systems Committee on to Sam Wilson with instructions to consider it along with the earlier suggestions 25X1 that you and [redacted] had agreed upon with respect to the substance of this problem.

You are aware of my general lack of enthusiasm for the formation of additional USIB Committees. However, ~~Frankly, I am not disposed at this time to form another USIB committee but~~ I may remain open-minded. There ~~appears to me to~~ be some wire diagramming which falls ~~somewhere~~ 25X1 between the [redacted] proposal and your own which can get to the substance of this subject without further proliferation of USIB committees. In any case, Sam will be directly in touch with you and others with equities involved to work on the matter.

Sincerely,

I certainly will defer to the merits of one for Weapons Systems.

W. E. Colby

[redacted] 25X1
